**KIDS IN THE GARDEN**

Except as expressly identified by me in the Child's Kids In the Garden Registration Form, I am not aware of any health or medical conditions the Child may have that would suggest to me that the Child should not be a participant in the Activities operated or provided by the Warman Collective Garden (WCG). I have not been advised that the Child should not participate in the Activities by a qualified health care provider, or otherwise.

I understand that there is risk of serious injury, harm or death to the Child arising from the Child's participation in the Activities, which may include injuries sustained from falling (of the Child, or others, or the falling of objects), collision (with equipment, projections on the floor or otherwise, or with other participants, etc), kitchen hazards (including but not limited to equipment and appliances) or the failure to operate or maintain properly, or the misuse of, the facilities and/or equipment utilized for the Activities, in which I have requested the Child be permitted to participate. I hereby authorize the Warman Collective Garden to use the Child's photo and/or information to his/her experiences with the Kids in the Garden.
