

My
Garden

Journal

Instructions:

1. Fill out your Garden Journal:

- Write the date you are planting your garden.
- Come up with and fill in a creative name for your garden.
- Make observations about your garden. Be creative in your description. Use all five sense when describing your seed/plant.
- BUT WAIT!! What about our taste sense? We don't actually want you to taste your seed. Use your imagination on what you think it might taste like.

2. Make Garden Labels

- You will need popsicle sticks and markers/pens.
- Label each plant and seed in your garden by writing the plants name on the popsicle stick.
- As you plant each seed, stick each popsicle stick into the dirt beside the matching plant.

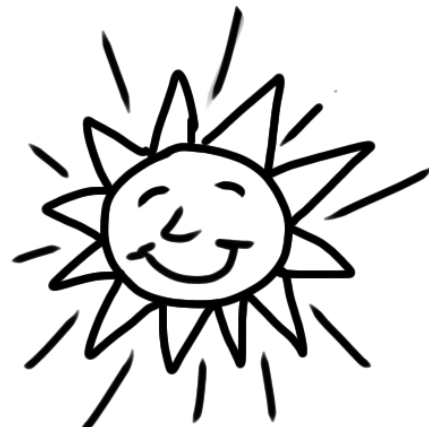

3. Plant your Garden!!

- Follow the instruction guide provided on how to plant your seeds and care for you plant as they grow!

4. Fill in your Garden Journal every 10-12 days.

- Revisit your garden journal and record the date and all the changes your plants are making!

Happy
Growing!!!

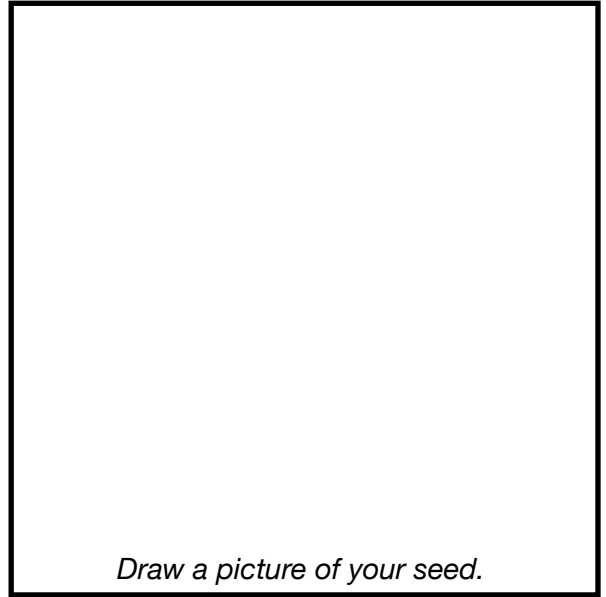

Garden Name: _____

Date: _____

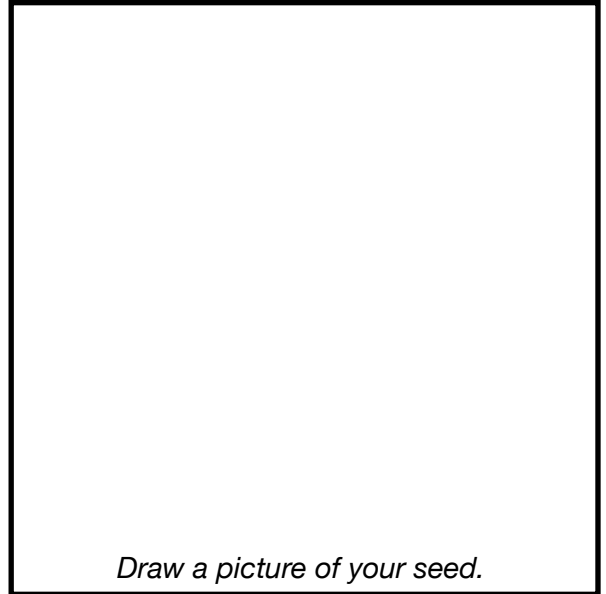

Seed Name:

Seed Observations: *What does it look like? What shape? What colour? How does it feel?*

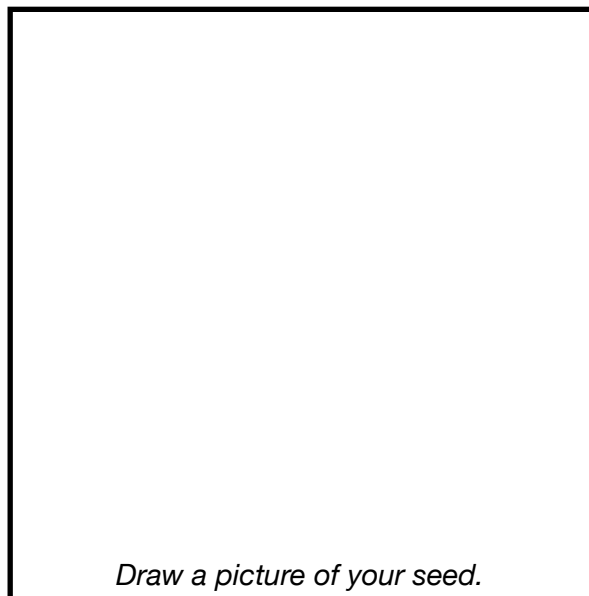

Seed Name:

Seed Observations: *What does it look like? What shape? What colour? How does it feel?*

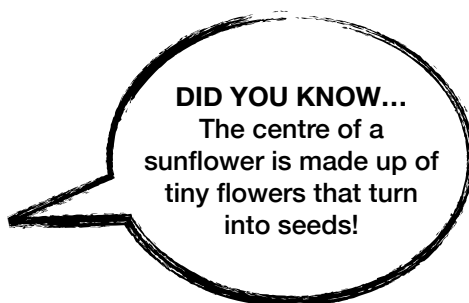

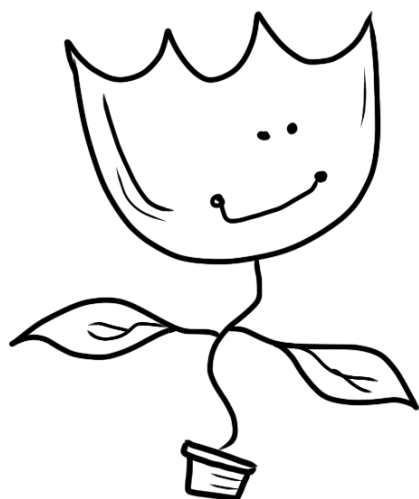

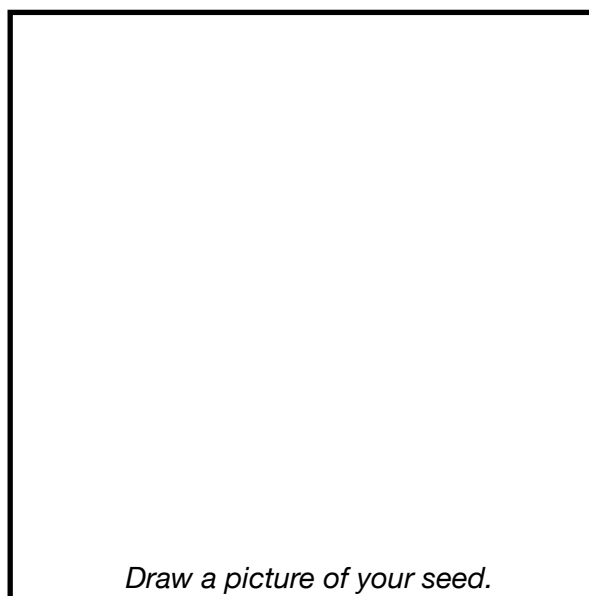

Seed Name:

Seed Observations: *What does it look like? What shape? What colour? How does it feel?*

Plant Name:

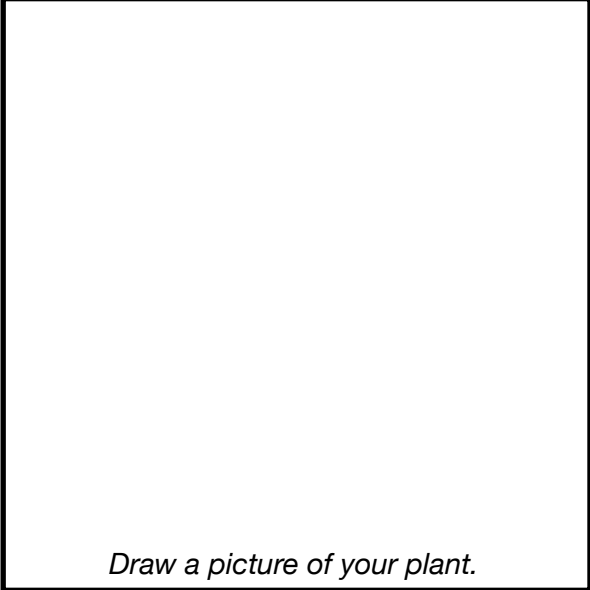

Plant Observations: *What does it look like? What shape? What colour? How does it feel? Did you notice any changes?*

DID YOU KNOW...
Plants need just the right amount of water? Not too much, Not too little. Let the soil try out just a bit before watering again!
